

Looking For The Best In Education?

Our Voluntary Pre-Kindergarten test results far exceed Florida average results and Palm Beach County average results!

* The Florida Department of Education is required to calculate a kindergarten readiness rate every year for each private or public school VPK Provider. The VPK Provider Kindergarten Readiness Rate measures how well a VPK school prepares four-year-olds to be ready for kindergarten based upon Florida's VPK Education Standards. Please see <https://vpk.fldoe.org/> for additional information and individual school results.

** The Planet Kids at Wellington results are for students attending from August to May at our 9135 Lake Worth Road preschool.
